Dear Mr. Bentley,

The anniversary date of your Lake Doctors, Inc., Water Management Program is **August 1, 2025** at which time your program is set to automatically extend. Due to the rising costs of professionally managing your account, which includes aquatic herbicides, vehicles, equipment, insurance and supplies, we would like to ask for a modest adjustment to your monthly investment amount, from **\$143.00** monthly to **\$148.00** monthly. We would also like to ask to a modest adjustment to your Quarterly fountain cleaning service from **\$146.00** quarterly to **\$150.00** quarterly.

If you have any questions or concerns regarding the proposed adjustment for your water management program, please feel free to give me a call at (904)228-8006 or contact me by email at jesse.mason@lakedoctors.com. Otherwise, no action is required at this time.

As always, we will continue to focus on providing superior service, prompt response to questions or concerns and great care for the health of your pond.

On behalf of our Jacksonville Lake Doctors Team, we truly appreciate your business and we look forward to continuing to work for you and the Cottages at Argyle residents.

Warm Regards,

Jesse Mason
Sales Manager
